ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board a vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, R. H. Hill, of the Douglas, from Alcalá, V. St. P.,
solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon
employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the
foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own
investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by
laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said
Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this
at Seattle

R. H. Hill
Master Officer.

Hos. E. Eastman
Immigrant Inspector.

INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of technical advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO

"Negro" refers to the African (black), whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African (black) should be classified under this heading.

Column 11 (*Place of birth*).—The State, province, or district of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*).—Prefix serial number of document with abbreviation "QIV", "XIV", "IV", or "IP", as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Reentry Permit; and also state section of the Immigration Act of 1924 involved, as section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (*Verifications of land, etc.*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of 1 year shall constitute permanent residence. The last country in which alien resided with the intention of remaining 1 year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, State, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of 1 year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (*Whether in possession of \$20, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (*Whether ever before in the United States; and if so, when, where, and date of last departure*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1904-1897, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*).—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

Columns 24 to 36.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors, provided as in the examination of aliens. However, in answering question 25, if alien has been excluded and deported within 1 year, and in answering 26, if alien has been ordered deported under warrant at any time, authority in the Secretary of Labor to supply for admission should be shown.

Required under Act of Congress of February 5, 1917, to be delivered to the United States immigration officer by the representatives of any vessel having such aliens on board upon arrival at a

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 680) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving vessel is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, C. FENTON MASTER, of the SS P. INCESS CHARLOTTE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

C. Fenton
Master

Sworn to before me this 2nd day of NOVEMBER, 1944

Joe E. Spangler
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Henry C. Ameron, of the S. S. Princess Alice, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

[Signature]
Master, First or Second Officer.

Sworn to before me this 1st day of November, 19 44

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of technical advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head of family*).—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Column 8 (*Who to read and write*).—This column is subdivided and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of English, Swiss, or Jew, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies, including either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO

"Negro" refers to the African (black), whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African (black) should be classified under this heading.

Column 11 (*Place of birth*).—The State, province, or district of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*).—Prefix serial number of document with abbreviation "QIV", "NIV", or "RIV", as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Entry Permit; and also state section of the Immigration Act of 1924 involved, as section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (*Verifications of landing, etc.*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of 1 year shall constitute permanent residence. The last country in which alien resided with the intention of remaining 1 year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, State, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (*Name and complete address of nearest relative or friend in country where alien came*).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country where alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of 1 year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*).—The entry should show definitely the person or persons by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 21 (*Whether in possession of \$20, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (*Whether ever before in the United States, and if so, when, where, and date of last departure*).—The entries should show whether and when the alien was in the United States before; and if so, the year (or period of years) and place, as, last 1897, Philadelphia. Where in the United States more than once previously permanent last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*).—The answer should show whether going to join either a relative or friend, with name and complete address, and if a relative, the exact relationship.

Columns 24 to 36.—These questions are self-explanatory and the answers, like all others on this sheet, are subject to revision by inspection officials in the case of permanent aliens. However, in answering questions 24, if alien has been excluded and deported within 1 year, and in answering 25, if alien has been ordered deported under statute at any time, authority in the Secretary of Labor to reapply for admission should be shown.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 28, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Such lists containing so much of such information as the Secretary of Labor shall by regulation require to be furnished, and in writing the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master thereof to deliver to the principal immigration officer, and as soon as discovered, all cases in which any such alien has been deserting or is deserting from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and if legally required, the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of arrival, and of those who were paid off and discharged, and of those who, if any, have deserted or landed; and in case of the failure of the owner, agent, consignee, or master to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located, from \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected and taken possession of such seaman, in all cases shall include a personal physical examination by the medical examiners), and shall pay to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is situated \$1,000 for each alien seaman in respect of whom such failure occurs.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiner), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

(43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who are not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, G. W. Imber, Master, of the M/S Cape Ngat, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

G. W. Imber
Master, First or Second Officer.

Sworn to before me this 4th day of November, 1944

Arthur Spelton
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of a vessel from the port of arrival, the owner, agent, consignee, or master shall deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless release of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who are not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 7. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, GUSTAVE GLASE, MASTER, of the AMERICAN STEAMSHIP NORTH SEA, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

G. C. Glase
Master, ~~First or Second Officer~~

Sworn to before me this _____ day of NOVEMBER, 1944

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, CUSTAVE GLASE, MASTER, of the AMERICAN STEAMSHIP NORTH SEA, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 27th day of NOVEMBER, 1944

C. Glase
Master, AMERICAN STEAMSHIP NORTH SEA

16-10840

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien owner, agent, or master has been employed on such vessel, together with any information likely to lead to his apprehension; and officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, GUSTAVE GLASE, MASTER, of the AMERICAN STEAMSHIP NORTH SEA, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

G. C. Glase
Master, First or Second Officer

Sworn to before me this 29th day of NOVEMBER, 1944

Thos. D. Eastman
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of technical advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head-of status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien upon arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read, what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO

"Negro" refers to the African (black), whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African (black) should be classified under this heading.

Column 11 (*Place of birth*).—The State, province, or district of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*).—Prefix serial number of document with abbreviation "QIV", "NIV", "P", or "R", as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Re-entry Permit; and also state section of the Immigration Act of 1924 involved, as section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (*Verifications of landing, etc.*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of 1 year shall constitute permanent residence. The last country in which alien resided with the intention of remaining 1 year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, State, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name, exact relationship, and complete address of such relative. If a such relative living, race name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of 1 year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (*Whether having a ticket in such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom money was paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (*Whether in possession of \$20, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (*Whether ever before in the United States; and if so, when, where, and date of last departure*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia. When in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*).—The answer should show whether going to join relative or friend, with name and complete address; and if a relative, the exact relationship.

Column 24 (*Remarks*).—These questions are self-explanatory and the answers, like all others on the sheet, are for the use of the inspectors only. The entries should be made in this column only. However, if an alien has been previously deported within 1 year, and in answer to question 23 has been deported, the answer should be at any time, authority in the Secretary of Labor to reentry should be shown.

Master, First or Second Officer.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Brasted, Master, of the American Motorship ROBERTLAND, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Erling P. Brasted
Master, ROBERTLAND

Sworn to before me this 24th day of November, 1944.

16-10549

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

(a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General, to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requisition by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port before the departure of the vessel, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted, or departed, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the payment thereof of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, _____, of the _____, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage.
I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20,
Act of May 26, 1924, which appear below.

Sworn to before me this

Master, First or Second Officer.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 650) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

(43 Stat. 164, 1 U. S. C. 165.)

[illegible]

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside the United States, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to appear, and the burden of proof to the contrary shall be upon the alien, and the failure to appear would cause under the laws of the United States the revocation of the alien's status as a lawful permanent resident.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

I, Executive Officer, of the U.S.S. U.S. Grant, from Honolulu, T.H., do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 10 day of April, 1922

Immigrant Inspector.

INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifest, immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of technical advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Headline statistics*).—Steamship lines should make notations in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married condition*).—The answer should be M (married), S (single), WD (widow, wid), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and examinations should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which alien or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and similarly "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO

"Negro" refers to the African (black), whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African (black) should be classified under this heading.

Column 11 (*Place of birth*).—The State, province, or district of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*).—This serial number of document with identification "QIV", "NIV", "PV", or "RP" as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passenger Visa, or Landing Permit; and also state section of the Immigration Act of 1924 involved, subsection 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is explanatory.

Column 14 (*Whether of lawful entry*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of 1 year shall constitute permanent residence. This last entry shall be made, regardless of length of actual residence abroad. The entry in column 15 should show the country, city or town, State, province, or district of last permanent residence. It is important for steamship lines to determine if alien is coming from a country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence shall be given by a person and resident of the United States and are returning from a foreign country as recorded in United States.

Column 17 (*Name and address of nearest relative or friend in country of residence abroad*).—This entry shall show the name, relationship, and complete address of such relative. If no such relative or friend is known, the entry shall be "None known" and address of relative or friend shall be given, if known, and not a single country is other than that whence alien came. Address shall include street and number.

Column 18 (*Final destination*).—Answer to this question shall show the intended future permanent residence. An alien of less than 1 year shall constitute permanent residence. The entry shall show the country, city or town of intended future permanent residence, if within the United States; country, if outside the United States, and the intended date of departure.

Column 19 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien.

Column 20 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien. Money brought by the alien shall be shown in the column for money brought by the alien.

Column 21 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien. Money brought by the alien shall be shown in the column for money brought by the alien.

Column 22 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien. Money brought by the alien shall be shown in the column for money brought by the alien.

Column 23 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien. Money brought by the alien shall be shown in the column for money brought by the alien.

Column 24 (*Whether of lawful entry*).—This question shall be answered "Yes" or "No" by the alien. Money brought by the alien shall be shown in the column for money brought by the alien.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. J. J. J., of the B. M. V. J. J., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this NOV 17 1944 day of NOV 17 1944, 1944.

A. J. J. J.
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. C. INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of technical advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO

"Negro" refers to the African (black), whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African (black) should be classified under this heading.

Column 11 (Place of birth).—The State, province, or district of birth should be shown in addition to the city or town.

Column 12 (Serial number of document presented).—Prefix serial number of document with abbreviation "QIV", "NQIV", "PV", or "IP", as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Reentry Permit; and also state section of the Immigration Act of 1924 involved, as section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (Verifications of landing, etc.).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (Last permanent residence).—Actual or an intended residence of 1 year shall constitute permanent residence. The last country in which alien resided with the intention of remaining 1 year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, State, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of 1 year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (Whether in possession of \$50, and if less, how much).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (Whether ever before in the United States; and if so, when, where, and date of last departure).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1944-1945, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (Whether going to join relative or friend).—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

Columns 24 to 36.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been excluded and deported within 1 year, and in answering 31, if alien has been ordered deported under warrant at any time, authority in the Secretary of Labor to reapply for admission should be shown.

Immigrant Inspector

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 889) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded. Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by the immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$100 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge at the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged; and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded. Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

I, A. A. Bugge, of the U. S. "Phoenix", do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage.
I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20,
Act of May 26, 1924, which appear below.

Sworn to before me this 20 day of Nov, 1944

A. A. Bugge
Master, First or Second Officer.

W. H. Hager
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Dana H. Smith, of the U.S. F. E. H. H. H., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 23 day of Nov, 1944

H. H. H. H. H. (Immigration Inspector)

D. H. Smith
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain such seaman.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Fedor Moskva, of the S.S. Tsiolkovsky, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. Moskva
Master, First or Second Officer.

Sworn to before me this 23rd day of Nov., 1944

Harry E. J. J.
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have been arrested or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or desert after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman, he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Fig. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 28 has been made.

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on such vessel or alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10,000 for each alien seaman in respect of whom such failure occurs, and the liability for such sum shall remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, M. PAVEN MASTER, of the 5/1 M., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 30 day of Nov, 1944
Thos B. Eastman
 Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 629) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I, 1899) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

SEC. 26. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-420) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (48 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, JOHN WILLIAMS (MASTER)) of the SS PRINCESS ALICE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 1st day of December, 1944.

10-12340

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, JOHN WILLIAMS ((MASTER)), of the SS PRINCESS ALICE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

John Williams
Master, SS PRINCESS ALICE

Sworn to before me this 1st. day of DECEMBER, 19 44.

[Signature]
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, T. M. LEWIS, Master, of the SS "CAPE NEWENHAM", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 1st day of December, 1944
[Signature]
 16-10340
 Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or as to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage.
I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20,
Act of May 26, 1924, which appear below.

Sworn to before me this 2nd day of Dec, 1944
Thos. G. Eastman
Immigrant Inspector.

Stedroff
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

Sworn to before me this 2nd day of December, 1944

C. Fenton
Master, First or Second Officer.

[Signature]
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or departed, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

C. W. Cook
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiner), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ARTHUR W. LARSEN, of the MASTER, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 6th day of December, 1944

Walter H. Douglas
Immigration Inspector.

A. W. Larsen
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

SEC. 120.12. Lists of alien employees: when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been employed on such vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. (c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, Chester F. Thurness, of the U.S.A.T. Brunswick, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Capt. Chester F. Thurness
Master, First or Second Officer.

Harry Edvard
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

J. Mathisen
Master, First or Second Officer.

Los E. Eastman
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, PERCY D. CHAMBERLAIN, of the MASTER, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Percy D. Chamberlain
Master, First or Second Officer.

Sworn to before me this 10th day of December, 1944

Walter H. Douglas
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I, Alex Zugabert, of the U.S.A.T. Daniel Willard, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Alex Zugabert
Master, First or Second Officer

Sworn to before me this 12th day of December, 1944

Harry E. Smith
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 36 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. E. Lanning, of the U. S. S. "Heller", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

14th

day of

Dec.

1924

Master, First or Second Officer.

10-10340

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

JOHN WILLIAMS MASTER of the SS PRINCESS VICTORIA, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

13th

day of December

John Williams
Master, *SS Princess Victoria*
1924.

Robert M. Matthews
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER, of the U.S.A.T. IMPERIAL, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

day of

19

Immigrant Inspector.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the payment thereof of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

Paul Alme, of the *Am. S. Pioneer*, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

Immigrant Inspector.

Paul Alme
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Master, First or Second Officer.

Albert Wolsstenholme
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 26 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

M. L. Jordan
Master, Fleet No. 1000000000

Sworn to before me this _____ day of DECEMBER, 19 44.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiner), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the payment thereof of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

(43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.
